Shanghai Panelmate Electronics Co., Ltd.

6085 Series Arm Components

6085 Series Arm Components

Pipe

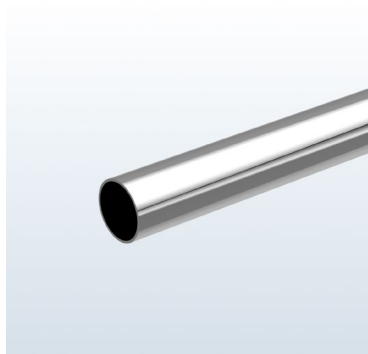

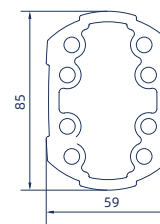

Supporting pipe Model 60

Material and surface finish: Anodized aluminum profile

Material number: ES203903

Order number: 6085.025 (250mm)
6085.050 (500mm)
6085.100 (1000mm)
6085.200 (2000mm)

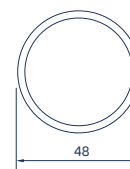

Supporting pipe Model 48

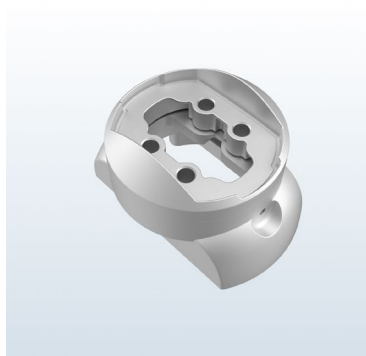

Material and surface finish: Stainless steel

Material number: XB48-100

Order number: XB48-025 (250mm)
XB48-050 (500mm)
XB48-100 (1000mm)

Arm Components

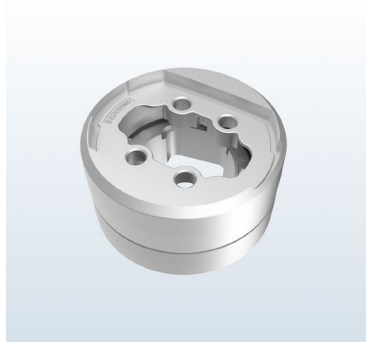

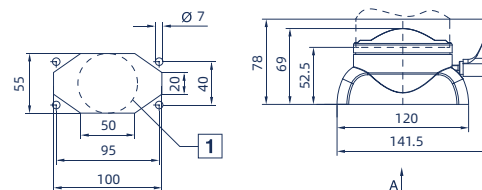

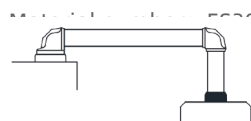

Box Connection, size 120x65mm

Material and surface finish: cast aluminium--bright silver baking finish

Rotation angle: 320°

Material number: ES201307

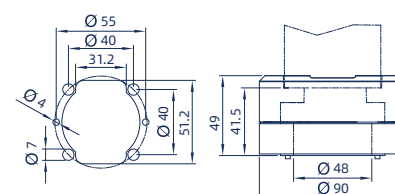

Box Connection, dia. 90mm

Material and surface finish: cast aluminium--bright silver baking finish

Rotation angle: 320°

Material number: ES301265

6085 Series Arm Components

Arm Components

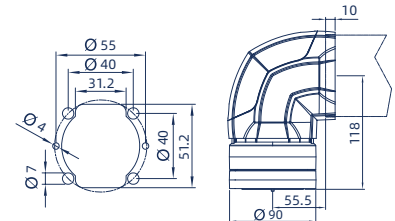

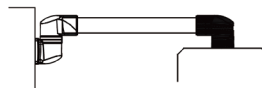

90° Box Connection, dia. 90mm

Material and surface finish: cast aluminium--bright silver baking finish

Rotation angle: 320°

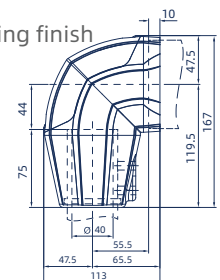

Material number: ES301266

90° corner adapter, for model 6085 and 48

Material and surface finish: cast aluminium--bright silver baking finish

Material number: ES301267

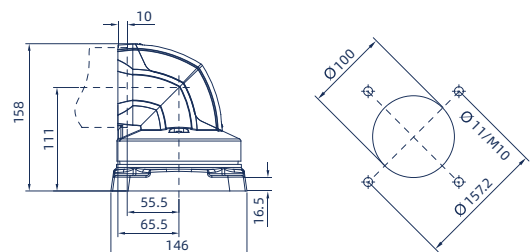

90° Top Base

Material and surface finish: cast aluminium--bright silver baking finish

Rotation angle: 320°

Material number: ES301269

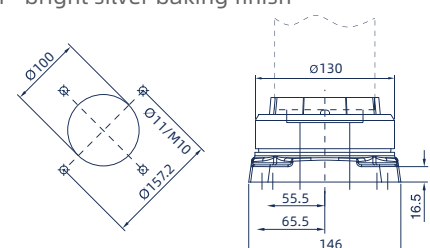

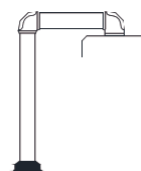

Top Base

Material and surface finish: cast aluminium--bright silver baking finish

Rotation angle: 320°

Material number: ES301270

Arm Components

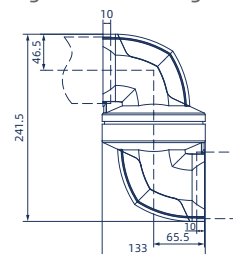

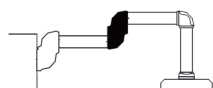

Intermediate connector, horizontal outlet

Material and surface finish: cast aluminium--bright silver baking finish

Rotation angle: 320°

Material number: ES301268

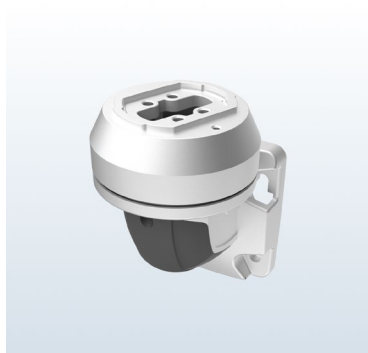

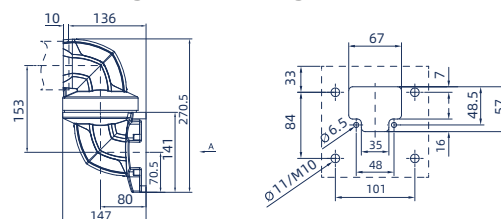

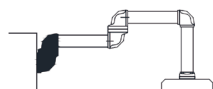

Horizontal Wall Base, model 60

Material and surface finish: cast aluminium--bright silver baking finish

Rotation angle: 320°

Material number: ES301271

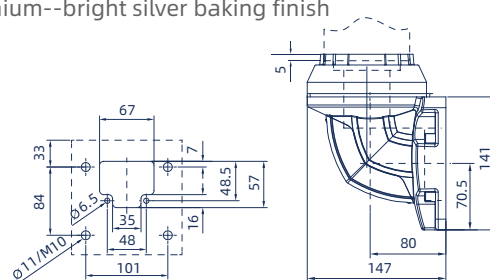

Vertical Wall Base, model 60

Material and surface finish: cast aluminium--bright silver baking finish

Rotation angle: 320°

Material number: ES301272

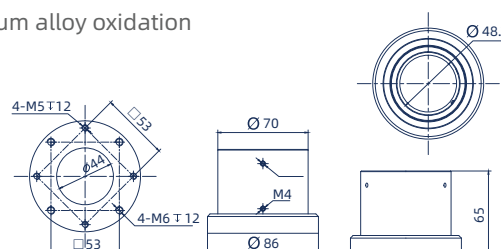

Box Connection, model 48

Material and surface finish: Aluminum alloy oxidation

Rotation angle: 320°

Material number: ES500512

6085 Series Arm Components

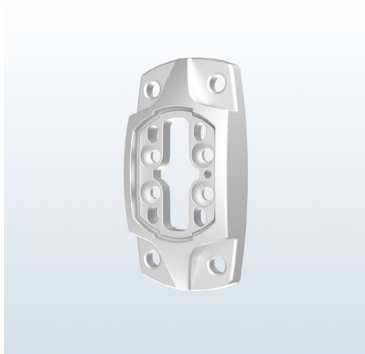

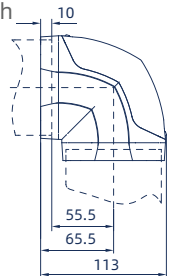

Arm Components

90° Corner fastener

Material and surface finish: cast aluminium--bright silver baking finish

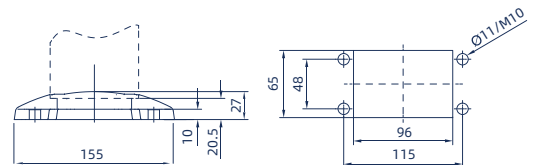

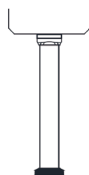

Material number: ES301274

Fixed Wall base,model 60

Material and surface finish: cast aluminium--bright silver baking finish

Material number: ES301275

15° tilted adapter,diameter 90mm

Material and surface finish: cast aluminium--bright silver baking finish

Material number: ES301273
